HHI Introduces Dominator Performance Triple Trees for Baggers!

The most complete line of HHI Machined Billet Triple trees for HD Baggers just grew once again.

Introducing HHI Dominator Performance Triple Trees for Street and Track applications.

The Stock Style Triple Tree comes in Machine or Black finish, with an HHI designed clamping system, that delivers stronger clamping force. This Billet replacement tree which reduces weight, also stiffens the front end, and accepts factory fairings.

The HHI Track Style Triple Tree also comes in Machine or Black finish.

The HHI Track Style Triple Tree fits 49MM forks, has the superior HHI clamping system, reduces weight and stiffens the front end.

The Track Style Triple Tree can be purchased as a set or Top Clamp only.
